Club Policy

- ◆ Dogs are welcome on the walks but some areas (e.g., Bolton Abbey and Boulsworth) do not allow dogs. They should be kept under control at all times so that everyone enjoys the walk.
- ◆ Walks may have to be changed due to weather or other circumstances. In very bad weather walks may be cancelled. Leaders that are unable to take their own walk will secure a replacement leader.
- ◆ We encourage car sharing from the meeting point and have a sensible fixed contribution (based on distance) for the drivers' expenses. Ask at the meeting point if you're concerned about these costs.
- ◆ Any member wishing to break away from the walk should inform the walk leader before doing so.

The Legal Stuff

All sporting and leisure activities have inherent hazards associated with them and rambling is no exception. In spite of the safety of members always being the paramount concern accidents will occasionally occur. It is important therefore that, when entering into the activity, each member appreciates that they have a responsibility to identify the hazards associated with the activity and take all reasonable precautions to eliminate or minimise the potential for an accident to arise.

Miles and Grades

Please note that mileages and grades are approximate.

Grade E walks are easy; relatively flat, good paths and trods, some stiles

Grade M walks are moderate; modest gradients with one or two steep sections

Grade D walks are difficult; possible yomping, moorland, steeper gradients

Grade S walks are strenuous and often combine all of the above with scrambling

Impromptu Walks

Both the leader and destination are decided on the day so they can vary a lot in both mileage (8 to 13 miles) and grade (usually M or D).
